Year	Date of Submission
2022-2023	28/02/2024
15. Multidisciplinary / interdisciplinary	
<p>Government first grade college, Dandeli is one of the constituent college of Karnataka university, Dharwad. Our faculty members have contributed significantly in framing of undergraduate curriculum. The college has offered B.A., B.Com., and B.Sc. programs in the arts, commerce, and science, respectively. Professional courses like BCA are also available. In higher education, the Karnataka government has introduced NEP for 2021-2022. NEP provides ample opportunities to students they can choose from a variety of interdisciplinary courses as OECs (Open Elective Courses).</p>	
16. Academic bank of credits (ABC):	
<p>The Academic Bank of Credits will certainly bring significant changes in the development of education in India. The "Academic Bank of Credits," has been considered a chain of innovative educational facilities, was unveiled by UGC (ABC). It facilitates faculty management and credit verification for students. Students are informed about the primary goals of ABC. To encourage education that is focused on the needs of the students accentuate the use of learner-friendly teaching strategies Adopt a multidisciplinary strategy Give students the freedom to choose the best courses that suit their interests and to study at their own speed.</p>	
17. Skill development:	
<p>Skill development helps to build a strong foundation for learners. As per the guidelines of department of collegiate education, Bangalore, the college has introduced many online courses for skill development courses In this NEP has made it possible to create chances for employability. The focus on skill development has become</p>	

a challenging task. Employability skills are a broad range of talents and competencies that an individual can pick up throughout their life through good education, skill development, job experience, extracurricular activities, and hobbies. Students are to develop their abilities in creative communication and interpersonal skills. They need to be trained in decision-making, creative thinking, and critical thinking. self-awareness, empathy, and problem-solving. In order to promote community responsibility, many awareness programs organized by NSS/NCC/S&G units. Placement cell of the college made an effort to update job skills and entrepreneur skills of the students through organizing workshop/training programs in coordination with NGOs. The department of collegiate education in coordination with NGOs provide skill based and employability based online courses.

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

The students offered undergraduate courses in Kannada, Hindi and in English. The curriculum of all these programs comprises that impart the history and knowledge, tradition of India. All these programs offer courses are integral to each other in framing and shaping the relationship between language, culture and history of India.To fulfill the learning needs and levels of the students, faculty members teaches in bilingual mode.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

The courses offered by the college are based on curriculum designed by Karnataka University The college offers B.A., B.Com., B.Sc and BCA degrees. The objectives of all the courses focus on cognitive skills such as Remembering, Understanding, Applying, Analyzing, Evaluating, and Creating. All levels of learning outcomes provide social responsiveness, ethics, and entrepreneurial talent in addition to the domain-specific competences, enabling students to actively contribute to the social, environmental, and economic well-being of the nation. With this objective our college organized many academic events and provide interactive platform for knowledge acquisition, critical thinking application of knowledge for problem solving.

20.Distance education/online education:

Distance Education Gaining knowledge and even obtaining a degree can be easily accomplished through distance learning. The method of studying that doesn't need one to visit the university or other institution in person. Both lectures and course materials are accessible online. Distance Education Gaining knowledge and even

obtaining a degree can be easily accomplished through distance learning. The method of studying that doesn't need one to visit the university or other institution in person. Both lectures and course materials are accessible online. Students can complete the course from an online university or other institution while remaining at home. Additionally, they will typically be able to participate in live seminars, residencies, or other educational opportunities. For students who would like to learn without attending classes, Department of collegiate education provides to the government college students for online learning through LMS where course related study material , video and MCQs helps to enhance knowledge. Employability based courses from Wadhwan Foundation provided where they develop communication skills, personality development and analytical and reasoning skills.

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

Development of national integrity, social justice, gender equality

through quality education is the motto of our college. Human values like honesty, punctuality, discipline, commitment to social service, gender equality and humanity are taught to the students by celebrating national festivals like Independence Day, Republic Day, Gandhi jayanti, Teachers Day, Swami Vivekanand jayanti, Ambedkar jayanti, Maharshi Valmiki jayanti, Kanakdas jayanti which help to develop spirit of nationalism, patriotism and noble values among the students.

No Tobacco Day, World Environment Day, Voters Day, Constitutional Day, Aids Awareness Programmes are conducted to enable the students to understand the importance of health, environment, participation in democratic process, social commitment to help others for healthy society.

The college campus is beautiful and green. We have a Medicinal Plants Garden named 'Sushrut' having more than 50 medicinal plants. The Green Audit added grace to the beauty of the college.

Environment Science is mandatory subject for 4th semester students of all the programmes. Environment Economics is taught as economics DSC subject for BA 6th semester students.

As girl students are more in number they are given more opportunities to take part in all activities. College conducts number of workshops, motivational talks to develop professional ethics among the students.

2.2 - Catering to Student Diversity	
2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners	
The institution meets the demands of all societal groups and offers admission in accordance with their preferences. Based on their performance in internal assessment we identify them as slow and advanced learners.	

Slow learners will receive additional attention during instruction by having the points repeated and by having questions asked to determine their level of comprehension. To help students better understand the subject, additional instructional materials are provided. Continuous observation is made of how they do in the ensuing exam. We invite the parents and engage them in conversation about the issues affecting their sons/daughters.

Similar to this, teachers will assist advanced students additional learning materials provided, encouraged to participate in seminar, group discussion and take lead to improve the performance of slow learners by giving their study material, solve their problems. The faculty members frequently monitor their development, and the parents of such students are urged to supply all the essential resources needed for their education. These students will be advised about their options for higher education, and the staff will help them prepare for competitive exams and PG courses. Advance learners promoted by faculty members with awards both in cash and books prize.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

Internal exams are conducted by the college in accordance with university guidelines during the eighth and twelfth weeks of each term. There is a committee to look after internal examination, evaluation, consolidation of IA Marks and sending the same information to Karnataka University through UUCMS. The same marks will be entered by the University in declaring the final semester results. The committee consists of a chairman, all department heads, and the office superintendent.as members. In order to determine the dates of the exams, a committee convenes a meeting and requests that all subject teachers submit their question papers by the deadlines stated.

Exams are administered in the same manner as university semester exams.Each student receives a printed question sheet, and they are free to write their responses in the answer scripts provided by the college. Examination results are announced one week after the exams, and any doubts about questions and the marks obtained by the

students are addressed. Based on student performance, those who perform better are encouraged to earn even higher scores, while those whose performance is low are identified, and their difficulties listened to and clarification are given without hurting the students' feelings. Those who are unable to attend the internal exam due to Sports/NCC/NSS or ill health such students are given special opportunity to appear for internal tests. All Internal marks of all subjects are consolidated and displayed on notice board.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Teachers and students are aware of the stated Programme and course outcomes of the Programmes offered by the institution.

Every student is informed about the significance of the subject, the amount of information he is learning, and where he is placed with this knowledge in society during the "Induction Program" at the beginning of the academic year. Students are provided standards about the mastery of each subject as well as possibilities and positions even in regular classes. Examples are taken from records

that list the field achievers in order to serve as a source of inspiration. Through dialogue with him or his interest in a certain topic, every kid with latent aptitude in a particular field is identified. There are several opportunities raised for this topic that are discussed. Special Lectures are conducted to highlight the importance of various subjects in the competitive examination. Seminars, workshops are conducted in different aspects to bring awareness among the students and research outcomes through the scholarly lectures by the eminent resource persons..

5.3.2 - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms)

Our institution's major goal is to develop effective leadership skills among students under the supervision of the faculty. The College Union is formed every year and they are selected on merit. Hence it is functioning very effectively. They are included in various committees as student representative. The Principal serves as the President of the Union, which also includes the Representatives of the students, such as the General Secretary, Sports Secretary, Library Secretary and others as Class Representatives. In course of their study they actively take part in organizing various functions and undertaking constructive works in the college. Thus they are trained to develop leadership and commitment to social service, they organises college assembly. Every year, the College Union organises a sizable number of student-focused events, including academic, literary, cultural, and entertainment competitions. Induction Programme, The student secretaries assist in planning activities for the relevant Association. . Every group, including those for the arts, commerce, science, human rights, the ladies' association, athletics, debate, and wallpaper, organises a variety of events.

The YRC, NCC, and NSS are active in social programmes that teach and enlighten the student volunteers about social issues. Students related to grievances will bring to the notice of the student Grievance Committee resolve the problems with the help of student's representative.

5.4 - Alumni Engagement

5.4.1 - There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

The Alumni Association of the college is not Registered. Every year all students are contributing Rs.150/towards Alumni Association. Alumni Association is formed every year and they are in constant touch with the college. They encourage the students of their area to take admission in this college. They are like ambassador of our college, They guide them even to go for higher education like B.Ed., M.A., LL.B. Even after completion of their degree they are in constant touch with us and providing adequate information to the college.

The alumni association was formed with the objective of sharing knowledge, experience and opportunities among the alumni, the faculty and the students. As our college is ten-year-old and offering B.A. B.Com, B.Sc iDuring last four years the number of students going for PG and B.Ed. LLB is increased considerably. Most of our alumni are self-employed, some of them are employed in various companies.

Alumni association has its own governing body, composed of president, vice president, secretary, treasurer. And WhatsApp group created through this communication can be done. Association meets twice in a year, discussion held with them for institution development and suggestion were accepted.

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

Response:

The Commissioner of Collegiate Education Bangalore is collecting Annual Appraisal Reports from Teaching and Non-Teaching Staff regularly since the inception of the Department. It is mandatory while declaring Probationary Period and Promotions of the faculty. It

is being collected on line through E-Par. Faculty forward the E-Par to Principal and filling his portion he forward it to Joint Director of Collegiate Education. After writing his remarks Joint Director send it Director. Ultimately it goes to Commissioner. It is kept in a separate section and recall them at the time of declaring Probationary Period and promoting in CAS. Recently they are considering them while posting to Principal Posts. At the time retirement it is mandatory to take clearance from that section. It includes the goals of the faculty, achievements, teaching methods, future plans and problems in the work. This helps the Department to evaluate the performance of the faculty. In the E-PAR is an On-Line Self Appraisal Form as to be filled by an employee. The following points have to be filled by an employee's Important functions and duties, aims and restrictions at working places and achievements. Then Principal fill the efficiency, punctuality, commitment to work etc.

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

Response:

College ensures utilization of financial resources and funds for various quality enhancement activities and academic development. The main source of funding for the college are fees collected from the students and the funds released from Government. Wide scope is given to generate funds by Government funds, teaching learning process and to develop research activities. This is government College. Hence the college is receiving funds for the Department of Collegiate Education. Salary of the Employees, grants for the construction of building, laboratories, purchase of books to library, sports materials are all sanctioned by the Department of Collegiate Education. Since the inception of the college separate fund has been received to purchase for SC/ST students. The sanctioned fund utilised as per the guidelines given and utilisation certificate sent to the department.

The department of Social Welfare and Backward Class of GOK sanctioned Scholarships to the SC, ST, OBC and Minorities students

every year.

In addition to this the college is in receipt of fund from NGO like West Coast Paper Mill Dandeli and from College Development Committee members..

Thus College faculty are active in mobilizing fund for various academic works for the benefit of the students and impart quality Education.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

The IQAC has strived its best to initiate quality measures by conducting regular meetings. During the year, IQAC has conducted four meetings. IQAC committee is formed consisting of all HOD's as . In the first week of the term the IQAC meeting will be held which plans for various works to be done in that academic year. Formation of various committees for the smooth functioning of the college, preparation of academic calendar taking into consideration Karnatak University Calendar of events. Accordingly, time table will be prepared to conduct two internal tests, conduct Orientation program to the students in which we highlight about code of conduct to be observed in the college, rules and regulations of the college, availability of facilities like scholarships, sports, Scouts & Guides, NCC and NSS. In the first class of the first year importance of subjects to be taught will be explained to the students. The staff member also meets the parents who are coming to college daily to drop their children and discuss with them about the college and the progress of their children. IQAC encourages research work, participation in seminars, workshops, conferences. Hence special lectures were also conducted by inviting eminent personalities. Lectures are also on Voters Day, Constitution Day on birth anniversary of great leaders etc. in the college. The college got permanent affiliation (12B) by UGC which adds another feather to college to develop infrastructure, to conduct skill oriented programs and

enhance quality teaching learning process.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

IQAC conducts meeting to review the teaching, learning process in the college. Induction or orientation programme was conducted regularly where they are informed about the importance of higher education and outcomes of their courses and various programmes. To impart quality education to the students, faculty are asked to prepare the teaching plan in the beginning of the academic year. The mentor system is formed and concerned teachers will be asked to survey the students keeping in mind to improve their understanding of the subjects, to overcome their various problems. Faculty brought to the notice of such problems and will take collective decision to build confidence among the students and they will be monitored and counselling will be given to them. Such students have shown tremendous progress in overcoming their problems.

Faculties encouraged to attend refresher course, Faculty Development Programs, workshops to gain knowledge. IQAC initiate faculties to involve in research, to present research articles in International /National level seminar/conference to improve teaching quality and publish articles in reputed journals.

The IQAC actively involved in overall quality enhancement of the institution from time to time and improve the teaching learning process Feedback from stakeholders : The IQAC has structured the questionnaire of feedback. Collects the feedback on course curriculum from students and alumni at the end of even semester. The collected feedback are analysed and measure to be taken to strengthen and facilitate teaching learning processes..

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

A country which suffers from social inequality, cannot reach the indicator of healthy growth. Even in the present age of globalization, gender discrimination has not stopped in Indian society. They are subject to various kinds of pressures. Women now are able to face any kind of social challenges and are successful in establishing their identities. College union, along with Committee Against Sexual Harassment conducts a counseling for girl students once in two months. The girl students speak up and discuss their problems. By doing so, they become aware of the patriarchal attitudes towards the problems.

2. CASH and Anti-Ragging Cell keep them warned against sexual harassment.

3. The cultural committee conducts activities like pick and act, pick and speak, debate competition, poetry competition etc. in order to build confidence among students.

4. Women's issues are not women's problems, but they are part of a social problem. The students are made aware of this through the competitions college conducts for them.

5. Film shows and debates are organized in order to teach gender sensitivity, and also to strengthen them ideologically. This year "Chapak" Movie was Selected for Screening

8. Since three years the fee for girls is fully exempted.

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

To Mahatma Gandhi, the cleanliness of the ashram was as important as the political events of the country. Inculcating this awareness is a civilized society's responsibility for sanitation. Every day around 500 students enter & exit in our college. Maintaining discipline in the college to protect the beauty of the campus and hygienic environment

***Solid waste management**The College has Solid Waste Management facility. Two Pits have been built to put degradable and non degradable waste. In this way the fertilizer produced by the paper waste is being utilized to the plants of the college campus.
***Liquid waste management**As far as Liquid waste management system is concerned the waste water is stored in the pits and allowed to flow on the ground. Thus cleanliness is maintained in the college.
***E-waste management**Since the college is shifted to new building Four years back so far we have minimum E- Waste material. The same is sent to the Municipality for needful and suitable action.
***Waste recycling system**Presently the college has one pit to store degradable waste materials where waste is converted for reuse.
***Hazardous chemicals and radioactive waste management** As far Hazardous chemicals and radioactive waste management is concerned we are taking adequate care.

7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities (within 200 words).

India's beauty and truth is hidden in its plurality. A Dandeli is called as a mini India has a versatile richness. It is outstanding geographical, cultural, social and economic features. Keeping the Mass in mind and with the view of fulfilling the social interest the work is undertaken to gain the object.

There is no restriction for the students at the entry level. In order to reach the students, we use different languages inside the classroom. In the co-curricular activities like literary meet, wall paper magazine or on other stages the students are permitted to speak in any one of the three languages. College begins with National Anthem and the Nadageethe. At this movement one student speak on social and moral values. Every day students have the discussion under format 'Day Thought'.

National days and All Jayanti's are conducted in special manner by conducting competition about national leaders and Displaying their works. The students are made to take an oath on 'Sadbhavan day'. NCC and NSS camps make students realize the fraternity. Celebrating the Teacher's day on 5th of September by conducting the 'Guruvandana' programme. Here we recall the memory of Nation's first teachers Savitribai Pule and Fatima Shaikh

7.1.9 - Sensitization of students and employees of the Institution to the constitutional obligations: values, rights, duties and responsibilities of citizens

Protecting democratic values is a contemporary challenge the country faces. The responsibility of understanding and safeguarding civic society lies with every citizen. Should first be successfully experimented within educational institution.

1. College entry is open to all students. Precautions have been taken to ensure that no discrimination occurs when students participate in college activities. Students who have scored well are chosen as college representatives. During the academic year, all college activities are conducted under the leadership of students. For example: the welcome ceremony is conducted by final-year students, and the farewell ceremony is conducted by second-year students, units like NCC and NSS are managed by student leaders.

2. In college during the cultural functions great personalities are been invited. Caste, gender, religion & class do not matter in the formation of personality. To build personality, efforts are made to free rural students from the false portrayal of "personality" by the media.

3. In college while organizing active programs by any units/departments or sports activity for students it is ensured that the competitions are constitutional.

4. Every students thrive in the atmosphere of equality. Unfortunately, if anyone has faced discomfort by anyone, then they can inform this to mentors/lectures.

5. The functions/program has strengthened the tradition of everyone gathering together for having meals. The practice of everyone eating together.

6. A canteen is also available All these factors have fostered the growth of constitutional values

7.1.11 - Institution celebrates / organizes national and international commemorative days, events and festivals

Celebration of national festivals The college has been celebrating the National/ International day with earnest earnestness and due respect. These celebrations really deliver the spirit of humanity and nationalism which was otherwise possible. It is occasion to know contribution of outstanding personality and in the light of this it is possible to correct our shortcomings. In this shaping healthy and strong future citizens. The NCC, NSS, Scout & Guides units of the college with all other students together conduct a programme on the occasion of Independence day, Republic day. Flag salutation followed by patriotic songs and talk about the significance of celebration are remarkable activities. Gandhi Jayanti, Ambedkar Jayanti, Kanakadas Jayanti, Valmiki Jayanti, Vivekanand Jayanti are

celebrated as days of Solemn understanding of their works. Reading of the original writings, listening of audio speeches, viewing of visual pictures, exhibition of books of such great personalities followed by speech by staff and principal are the main activities on the occasion. Karnataka Rajyostva, Voter's day, National Integration day, Women's day etc are vital days which are the celebrations to light up knowledge in all participants. The college union takes active part in this regard and involves one and to all in various celebration.

7.2 - Best Practices

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

Best practices - 1 Search For Creative Possibility and Best practices - 2 Pursuit of Knowledge

Creativity inspires human emotion and makes people innovative- this is the opinion of thinkers around the world. It is believed that this will lead to the holistic development of students.

1. Daily Thought :- The college day begins with a morning assembly to 9:15 am During the interval between the National Anthem and the state anthem, each student speaks for 3 to 5 minutes on a topic.
2. Weekly Thought:- Great people's thoughts are written on the blackboard with title as Day Thought.
3. Wall Magazine:- Our students come from poor rural-tribal communities. Among them, the number of female students is high. This platforms provide a stage for expression and thus, boost self-esteem, confidence, and resilience among students. As students themselves manage this section it build-organizational skills in them. Student will have opportunities for various forms of expression like poetry, stories, articles, paintings rangoli etc.

Pursuit of Knowledge

In our college, there more than 500 students and their study subjects are different. We need to cultivate and understanding that all of this learning is interconnected it enhance the knowldge of the students. it also increases the general knowledge.

50 minutes seminar presentation then 30 minutes is allotted for discussion. Students have received training on how Identify anomalies in data and the actions in be taken when questioning the data. It is possible to inculcate not only ideas but also critical thinking skills.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

Institutional Distinctness

Self-pride of Organisation: Meaningful Celebrations

In the context of government schools and colleges, the celebration of national festivals is a natural routine. Doubts and 'objections are raised by the public regarding the benefit of leave. However, the proper celebration of these festivals can be a way to guide youth society. We must recognize the sacrifices made by those who have worked for the nation and language, Independence Day, Republic Day, Constitution Day - these are days to remember the struggles, sacrifices and achievements. International Women's Day, World Earth Day, World Health Day, World Environment Day, World Literacy Day.

Step Taken

- (1) Compulsory attendance for every student. Attendance is taken, and lists of absentees is displayed and share in students whatsapp groups.
- (2) Organizing various competition related to the celebration essay, speech, song, painting, etc.

(3) Exhibition of related books, film screening.

(4) Reading selected passages from the original writings of Gandhi, Vivekananda, Ambedkar, etc.,

(5) Principal or any one of the Lecturers engaging a special lecture/ Since, this

effort is linked to the memory of physical development and emotional awareness, we are delighted to knowledge these as our distinctive activities

7.3.2 - Plan of action for the next academic year

Plan of Action for the next Academic Year 1. Our students are from poor, tribal and rural communities. The number of female students is high. With a view to facilitating higher education for them, starting post-graduation courses - Efforts are already underway. 2. In the 2024-25 academic year, organizing Certificate Courses related to different subjects. 3. Under the NSS and Eco Club, students were maintaining a green, beautiful and clean campus. If possible, then a organic fertilizer production unit will be established. Fertilizer for our plants and environmental awareness for students will be obtained. 4. Providing opportunities for students to participate in national and state level competitions in sports, culture and other areas. 5. Conducting activities that are helpful to students to reach the level of understanding in the study of the curriculum 6. Conducting group project work by students, encouraging their research and study Interest. 7. To enhance Institutional Distinctiveness, Best Practice like: Pursuit of Knowledge, Search for Creative Possibility, those conducted this year.
